## Notes

This is the first time in many a year since we have arranged a Chinese lunch outside of London. It is hoped that it will be well attended and be the first step in trying break the London-centric venues for our lunches. The Yang Sing Restaurant is within walking distance of Manchester Piccadilly Railway Station taking about 10 minutes. There are always plenty of taxis at the station for those who prefer to save their strength for the food and drink at the restaurant. The restaurant is used by the Chinese Consulate in Manchester to host their various dinners/receptions. The room we have for the lunch seats 80 and has its own bar. It serves a very good draught lager called Sun Lik which costs £4.50 a pint. It is brewed in China and is not unlike San Mig.

A different system applies in that the restaurant requires numbers on those attending well in advance of the event, hence the return date of 26 September 2018. As I shall be going on holiday on 11 September and won't be back until this date, tickets for the event will not be sent out until after the 26th.

Your Committee hopes that you will make a special effort to attend this lunch.

Manchester is after all only 2 hours 5 minutes from London Euston by Virgin West Coast Trains.

- (i) If you invite guests, you must arrive early so you can reserve sufficient places for your group on the table of your choice. I shall be too busy to have to act as an usher or minder for your guests;
- (ii) If you are using the lunch to celebrate a reunion or similar event and require a whole table for your party let me know in advance. I will then reserve a table for you;
